🎓 **IB Maths Specialist | Imperial College London | MSc in Mathematics**

I hold an MSc in Mathematics from Imperial College London and have 5 years of experience teaching IB Maths at both Higher and Standard Levels. I am passionate about helping students excel in Maths, including A-Level and IGCSE, and providing support for exams, internal assessments, and extended essays

Qualifications

Imperial College London: MSc in Mathematics (2016–2018)

King's College London: BSc in Mathematics (2012–2016)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past 5 years, I have been dedicated to helping students navigate the complexities of IB Maths and other international curricula. My experience spans IB AA-HL/SL, A-Level Maths, and IGCSE, ensuring my students not only understand the concepts but also achieve top results in their exams. I focus on providing tailored lessons and support throughout the learning process.
