Tutoring Experience

With two decades of teaching experience, I have worked with students across the globe, helping them achieve outstanding results in IB English and other international curriculums. I have extensive experience in guiding students through the complexities of literature, ensuring they can express themselves clearly and thoughtfully in their writing.

Throughout my teaching career, I have been involved in both classroom instruction and one-on-one tutoring. My focus has always been to inspire my students to not only excel academically but also to foster a love for reading and critical thinking. Many of my students have gone on to pursue English at university level, achieving top grades in their IB and A-Level exams.
